

FY2007 SMALL RURAL SCHOOL ACHIEVEMENT PROGRAM (SRSA) ELIGIBLE LEAS

The SRSA program provides each LEA with eligibility for both Alternative Use of Funds Authority, known as REAP-Flex, and for a direct grant from the U.S. Dept. of Education. ONLY LEAs that are highlighted **MUST** apply using the e-Grants system (<http://e-grants.ed.gov>). These districts are those that are newly eligible for the program this year, or districts that were eligible for the program last year, and did not apply or receive funds. NOTE: It is possible for the funding formula to yield a grant award of \$0. However, an eligible LEA may still exercise REAP-Flex authority.

To participate in REAP-Flex, LEAs must complete the REAP-Flex Authority section of the NCLB Consolidated Application and describe REAP achievement goals in the Activities and Program Description Section of the Final NCLB Plan. The LEA must identify the program(s) from which the funds are being removed and the programs to which the funds are now being applied.
